## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **Economic Overview**

India adopted a four-pillar strategy of containment, fiscal, financial, and long-term structural reforms. India's gross domestic product (GDP) grew at 8.2 per cent in the fiscal year 2023-24. Financial, real estate and professional services grew by 7.6 per cent. Unemployment rate in urban India in the January-March quarter of 2023-24 rises to **6.7%** from **6.5%** in October-December quarter, it was 6.6% in the July-September quarter and 6.7% in the April-June quarter after the ebbing of the second wave of the pandemic. It stood at 6.1% in the corresponding quarter of 2022-23.

### **Indian Financial Services Industry**

The country's financial services sector consists of capital markets, insurance sector and non-banking financial companies (NBFCs). India's gross national savings (GDS) as a percentage of Gross Domestic Product (GDP) stood at 30.50% in 2019. In 2019, US\$ 2.5 billion was raised across 17 initial public offerings (IPOs). The number of ultra-high net-worth individuals (UHNWIs), with wealth of US\$ 30 million or more, is expected to rise 63% between 2020 and 2025 to 11,198; India has the second-fastest growth in the world. India has scored a perfect 10 in protecting shareholders' rights on the back of reforms implemented by Securities and Exchange Board of India (SEBI) in the World Bank's Ease of Doing Business 2020 report. In May 2021, the mutual fund (MF) industry's assets under management (AUM) amounted to 3,305,660 crore (US\$ 454.12 billion). The total number of accounts stood at 100.4 million. In May 2021, the mutual fund industry crossed over 10 crore folios. The Government of India has taken various steps to deepen reforms in the capital market, including simplification of the IPO process, which allows qualified foreign investors (QFIs) to access the Indian bond market.

### **Industry Structure and Development**

Lenders are finding ways to manage their books, demand and stay in the business in long-run. The Government has taken a series of measures to generate demand and ease the liquidity by ensuring public sector banks lend further to NBFCs, introducing partial credit guarantee scheme, organizing loan mela etc. The slowdown that has begun can't be turned around that easily for which a booster shot is required. Structurally, the government can make it easier for MSMEs to survive the environment by providing more subsidies to some sectors and build more platforms for small-scale industries to expand. Government should consider relaxing and easing some compliances, for e.g. reforms on taxes or entry requirements for DFIs. Every fundamental indicates towards a higher growth and better future next year, reflecting strong optimism going into 2024.

### **Opportunities and Threats and Risks and Concerns**

The RBI constantly issues new regulations and/ or modifies existing regulations endeavoring to balance the multiple objectives of financial stability, consumer and depositor protection and regulatory arbitrage concerns. The major opportunities are Demographic Changes, large untapped rural and urban Markets and Use of digital solutions for business/collections.

The threat for the NBFCs come from increased competition from Banking industry, which is in a position to lend at competitive rate due to availability of huge funds at a cheaper cost.

High cost of funds, Rising Non-performing Assets (NPAs), restrictions on deposit taking NBFCs, Competition from other NBFCs and banks. and Growing number of Fintech companies are major threats for the Industry.

A company in its normal course of working takes on many risks. For a Non-Banking Finance Company the risks that are most important are operational risk, credit risk and competition risk. The identification, monitoring and mitigation of these risks are integral to the success of the company. The Company has framed a Risk Management Policy for the Company in order to detect, mitigate and prevent risk both internal and peripheral arising to the Company.

### **Internal Control and their Adequacy**

The company has an adequate system of internal controls commensurate with the size and nature of business. The company is complying with all the mandatory requirements of Corporate Governance as laid down in the Listing Agreement. This has improved the management of the affairs of the company and strengthened transparency and accountability. The Audit Committee reviews the internal control system and look into the observations of the statutory auditor very closely.

### **Discussions on Financial performance**

The financial performance of the Company for the year has been discussed in the Director's Report and Cash Flow Statement annexed with the Annual Accounts.

### **Developments in Human Resources**

The Company has potential appraisal systems for identifying and developing talent of Employees. The Company is confident of attracting, developing and nurturing the best talent in the industry in view of the company's inherent strengths gained over the years. As in the past, the Company has enjoyed cordial relations with the employees at all levels.

### **Cautionary Statement**

Statements in the Management Discussion and Analysis describing the company's present position, objectives, expectations or predictions may be "forward looking" statements within the meaning of applicable laws and regulations.

**INDEPENDENT AUDITORS' REPORT**

**To,**

**The Members,**

**Garbi Finvest Limited**

**Report on the Audit of the Standalone Ind AS financial statements.**

**Disclaimer of Opinion**

We have audited the standalone Ind AS financial statements of **Garbi Finvest Limited ("The Company")**, (PAN: AAACG9335R), which comprise Balance Sheet as at 31<sup>st</sup> March 2024, , the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements")

We do not express an opinion on the accompanying financial statements of the entity. Because of the significance of the matters described in the basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

**Basis for Disclaimer of Opinion**

The Company has not followed the system of estimated credit loss (ECL) model as determined under IndAS 109 of the financial instruments. The company has failed to comply with the implementation of Internal Financial Control (IFC) as mandated by the Companies Act, 2013. Furthermore, the company has not provided the necessary control design documentation. Without this critical information, we are unable to conduct tests or form an opinion on the effectiveness of the management controls.

**Emphasis of Matters:**

We draw attention to the Standalone Financial Statements, which fully describe that the Company has not recognized any impairment on financial assets to reflect the business impact and any uncertainties arising out of the same. Such estimates are based on current facts and circumstances and may not necessarily reflect future uncertainties.

Our opinion is modified in respect of this matter.

## **Key Audit Matters**

Key audit matters (KAM) are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description below, our description of how our audit addressed the matter is provided in that context. We have determined the matters described below to be the key audit matters to be communicated in our report.

<b>Sr. No.</b>	<b>Key Audit Matter</b>	<b>Response to Key Audit Matter</b>
<b>1.</b>	<p><b>Information technology (IT) systems used in the financial reporting process.</b></p> <p>The company's operational and financial processes are dependent on IT systems due to large volume of transactions that are processed daily. We therefore identified IT systems and controls over financial reporting as a key audit matter for the Company.</p>	<p>We obtained an understanding of the Company's IT control environment relevant to the audit.</p> <p>During the review we come across that the company has no proper infrastructure in terms of IT system in keeping the data.</p>
<b>2.</b>	<p><b>Impairment of Financial Assets held at amortized cost:</b></p> <p>Since the loans and advances form a major portion of the Company's assets, and due to the significance of the judgements used in classifying loans and advances into various stages as stipulated in Indian Accounting Standard (IND AS) 109 and the management estimation of the related impairment provisions this is considered to be a key audit matter.</p> <p>The Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors.</p> <p>The most significant areas are:</p> <ul style="list-style-type: none"> <li>- Segmentation of loan book</li> <li>- Determination of exposure at default - Loan staging criteria</li> <li>- Calculation of probability of default / Loss given default</li> <li>- Consideration of probability weighted scenarios and forward looking macro-</li> </ul>	<p>We evaluated the impairment principles used by management is not in accordance with the requirements of Ind AS 109, based on the understanding given by the management. We tested review controls over measurement of impairment allowances and disclosures in financial statements but are not satisfactory.</p>

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report but does not include the Standalone financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on our work, we determine that there is a material misstatement in the other information or the financial statements, we are obligated to report this fact.

### **Managements and Board of Directors Responsibility for the Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

However, due to the issues outlined in the Basis for Disclaimer of Opinion section of our report, we were unable to obtain sufficient audit evidence to form a basis for an audit opinion on these financial statements.

Misstatements, whether arising from fraud or error, are deemed material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users relying on these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the Annual Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ⊞ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting in preparation of financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1.As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the

“Annexure A” statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. (A) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have not been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements do not comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the Directors as on 31<sup>st</sup> March, 2024 taken on record by the Board of Directors, none of the Directors is disqualified as on 31<sup>st</sup> March 2024 from being appointed as a Director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.

(B) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a) The company does not have any pending litigations which would impact its financial position.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.  
  
(ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate

Beneficiaries”) by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material misstatement.

- e) During the year, the Company has not declared or paid any dividends. Therefore, the provisions of complying with Section 123 of the Company’s Act 2013 are not applicable.
- f) The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023. Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting software’s for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software:
- i. The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software’s used for maintaining the books of account relating to payroll, consolidation process and certain non-editable fields/tables of the accounting software used for maintaining general ledger.
  - ii. The feature of recording audit trail (edit log) facility was not enabled at the application layer of the accounting software’s relating to revenue, trade receivables and general ledger for the period 1 April 2023 to 31 March 2024. Further, for the periods where the audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

(C) With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We were engaged to audit the Internal Financial Controls over financial reporting of Garbi Finvest Limited as of March 31, 2024 in conjunction with our audit of the financial statements of the company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that.

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Disclaimer of Opinion**

The system of internal financial controls over financial reporting for the Company was neither tested nor implemented as of March 2024. We have taken this disclaimer into account when determining the nature, timing, and extent of the audit tests applied to our audit of the standalone financial statements of the Company. This disclaimer has impacted our opinion on the financial statements, leading us to issue a disclaimer of opinion due to ineffective financial controls, which could affect the Company's ability to continue as a going concern. Consequently, we were unable to obtain sufficient audit evidence to form a basis for an audit opinion on the Company's internal financial control system over financial reporting.

## 1 CORPORATE INFORMATION

The Company's main business activities are Investment Activities including advancing and financing activity. The Company is registered Non-Banking Finance Company registered with Reserve Bank Of India. The Company presently has no branches.

## 2 SIGNIFICANT ACCOUNTING POLICIES

### a BASIS OF PREPARATION

The financial statements have been prepared in accordance with Indian Accounting Standards (hereafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost convention and accrual basis, except for certain financial assets and liabilities measured at fair value.

### b PRESENTATION OF STANDALONE FINANCIAL STATEMENTS

The Standalone Financial Statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 (the Act) applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and Financial Liabilities are generally reported on a gross basis.

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

### c STATEMENT OF COMPLIANCE:

The Standalone Financial Statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below and the relevant provisions of the Act. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

### d FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

#### Financial Assets

##### Initial Measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

##### Subsequent Measurement:

Subsequent measurement is determined with reference to the classification of the respective financial assets and the contractual cash flow characteristic of the financial assets, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

##### Financial Assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

##### Financial Assets at fair value through other Comprehensive Income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### Financial Assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL

Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in profit and loss. However currently the company does not have any financial instrument in this category.

#### Equity Investment

All equity investments in scope of Ind AS 109 are measured at fair value except unquoted equity investments including investment in subsidiary which are stated at cost. Equity instruments which are held for trading are classified as at FVTPL. For other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument by instruments basis. The Classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends are recognized in other comprehensive income.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

#### De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received

#### Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

##### • Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at fair value.

##### • Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

##### • De-recognition of Financial Liabilities

Financial Liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/(losses).

#### Offsetting Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

#### FAIR VALUE MEASUREMENT

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

- In the absence of a principal market, In the most advantageous market for the asset or liability

the principal or the most advantageous market must be accessible by the Company. the fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- Level 2 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

- Level 3 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation and other relevant documents.

#### e REVENUE RECOGNITION

Revenue is recognized when there is reasonable certainty of its ultimate realization / collection. Revenue is net of Goods and Service Tax where recovered/applicable.

i. Interest Income:

Interest and Investment income is recognized on transactions on which "Settlements" are completed during the year. Income are accounted on accrual basis.

ii. Dividend Income:

Dividend income is recognised when the right to receive the payment is established.

iii. Profits on Sale of Investments:

Profit on Sale of Investments is accounted reckoning the average cost of the investments.

iv. Other Income:

Other Income is accounted on accrual basis except Dividend Income, Interest on Government Bonds and Interest on Income Tax Refunds which are accounted on cash basis.

**f EXPENSE RECOGNITION**

i. Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

ii. Retirement Benefits:

☐ Provident Fund & Family Pension

o The Provident Fund and Family Pension Fund is not applicable.

☐ Gratuity

o The Gratuity Act is not applicable to the Company.

iii. Leave Encashment:

Leave Encashment is accounted on the basis of actual expense incurred and paid to the employees.

iv. Impairment Of Non-Financial Assets :

Non- financial assets other than inventories and non-current assets held for sale are reviewed at each balance sheet date to determine whether there is any indication. If any such indication exists or when annual impairment testing for an asset required, the company estimates the asset's recoverable amount. The recoverable amount is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flow that is largely independent of those from other assets or group of assets.

When the carrying amount of an assets or CGU exceeds its recoverable amount, the assets are considered impaired and is written down to its recoverable amount.

v. Taxes On Income:

Current Tax is determined as per Law. Deferred Tax Asset and Liability are measured using the tax rates that have been enacted or substantively enacted at the Balance Sheet date

**g CASH AND CASH EQUIVALENTS**

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, balances in current accounts with scheduled banks and bank deposits.

**h PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)**

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

i. DEPRECIATION/AMORTISATION ON FIXED ASSETS

Depreciation on Fixed Assets is provided on straight-line method in accordance with life of assets specified in Part C of Schedule II to the Companies Act, 2013 as per details given below:

Sl.No.	Nature of Assets	Estimated useful life in years
1	Building	60
2	Computers - Servers	6
3	Computers – End user devices	3
4	Furniture and Fixtures	10
5	Motor Vehicles	8
6	Office Equipment	5

#### AMORTISATION

Expenses incurred on Computer Software are amortised on straight line basis over a period of three years.

#### ASSETS ACQUIRED IN SATISFACTION OF CLAIMS

Assets acquired in satisfaction of claim has been accounted at fair value of the assets acquired and is marked down by a subsequent reduction in the Net Realisable Value, if any.

#### **i INTANGIBLE ASSETS**

An intangible asset is recognised only when its cost can be measured reliably, and it is probable that the expected

**j PROVISIONS**

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

**k CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the Financial Statements

**l EARNING PER SHARE:**

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

**m OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION**

The Company presents assets and liabilities in the balance sheet based on current /non-current classification.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**n STOCK IN TRADE / SECURITIES FOR SALE**

Stock in trade is valued at weighted average cost or net realisable value whichever is lower
